Wagging Tales Press, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Far across the great wide world, where the sun melts into liquid gold, great Buddhas smile in their fancy temples and towering skyscrapers brush the clouds. And in a tiny house in a tiny town lives a tiny girl who dreams of doing something BIG! Footprints is an environmental picture book that crosses cultural boundaries and invites readers to follow in young Aiko's footprints as she journeys through the Japanese countryside and discovers the universal concept that the biggest difference can be made by the smallest hands or feet! Readers who love Shelley Meyer's Where the Buttercups Grow and The Lorax by Dr. Seuss will delight in making Footprints part of their personal library.
