

## Intimacy and Sexuality in the Age of Shakespeare

Filesize: 4.84 MB

### ***Reviews***

*Extremely helpful for all group of men and women. it absolutely was writtern extremely perfectly and valuable. Your way of life span will be transform when you complete looking at this ebook.  
(Prof. Trever Torphy)*

## INTIMACY AND SEXUALITY IN THE AGE OF SHAKESPEARE

Cambridge University Press, 2011. Hardcover. Book Condition: New. 0 x 22.8 cm. "In his 1583 *The Anatomy of Abuses*, Philip Stubbes famously charged that drama taught audiences how to "play the Sodomits, or worse."1 Stubbes's capacious "or worse," I would suggest, refers to certain affective relations that eventually became illegible under the rubrics of modern intimacy. In this book, I map the circulation of knowledge about these queer affections, not only in the plays that Stubbes targets, but also in poetry and prose written between 1588 and 1625. During the sixteenth and seventeenth centuries, the intimate sphere coalesced around relations characterized by two elements: interiorized desire and futurity. Interiorized desire locates the truth about the self and sexuality inside the body, thereby organizing and limiting the body's pleasures based on a hierarchized opposition between depths and surfaces. Access to futurity involves the perceived sense of a relationship's duration and its participation in legitimate social and sexual reproduction. These changes, of which Stubbes's charge is one of many indices, laid the foundation for modern understandings of normative intimacy as coextensive with long-term heterosexual monogamy. Coupling, and more specifically marriage, was invested with value as a site where affection was desirable -- Our orders are sent from our warehouse locally or directly from our international distributors to allow us to offer you the best possible price and delivery time. Book.
