FLAWS AND FALLACIES IN STATISTICAL THINKING (PAPERBACK)

Dover Publications Inc., United States, 2004. Paperback Condition: New. Language: English . Brand New Book. This book was written with a dual purpose: first, the author was motivated to relieve his distress over the faulty conclusions drawn from the frequent misuse of relatively simple statistical tools such as percents, graphs, and averages. Second, his objective was to create a nontechnical book that would help people make better-informed decisions by increasing their ability to judge the quality of statistical evidence. This...

Reviews

Without doubt, this is actually the greatest function by any article writer. It is among the most amazing publication I have got read. Its been printed in an exceedingly basic way in fact it is simply after I finished reading through this publication where in fact changed me, change the way I believe.

-- **Arielle Ledner**

Extensive manual! Its this sort of very good study. It is rally fascinating through reading time period. I am just pleased to explain how this is actually the finest publication we have go through during my personal life and can be he greatest ebook for actually.
