Pursuit of education Utopia of Bao Cheng. Wonderful page: an autumn autumn season. I took to the podium. the classroom task given to me by the school is the ideological and political course of the Grade Two. The ideological and political column. belongs the Vice lesson in junior high. Do not attach importance to the school. students do not attach importance to. in order to be able to let the students are willing to learn. breaking the traditional chalk mouth teacher from scratch talked Last teaching mode. I can only pay attention to enhance the students' interests. such as multi-on activities lessons. and more storytelling. to talk about current affairs. to look at the film and video. In this way. the students are very interested in. the teacher what they do. and are willing to do. Between teachers and students live in peace more than half of the semester. First semester flies. School notices. final exam by Li unified proposition. closed book exam. Soon the final exam. how to review it? I'm thinking. the best review method is to recite what approach endorsed it? I racked my brain thinking. Before class the next day. I advance a couple of minutes to the classroom. the classroom slowly looking for opportunities. a warning to others . whole entire them. At this time. the bell rang. the students or in twos and threes in the conversation. simply do not ring tones and teachers looked down. I shouted a...
