Reviews

Simply no words to spell out. It can be rally fascinating throug studying period of time. You will not really feel monotomy at at any moment of your own time (that's what catalogues are for concerning if you ask me).
(Dr. Isabella Turner)

THE EMPIRE OF BUSINESS

Cosimo Classics. Paperback. Book Condition: New. Paperback. 360 pages. Dimensions: 9.8in. x 7.0in. x 0.9in. One of the greatest entrepreneurs in American history here shares his sensible, sage outlook on the economic affairs of the nation as a whole as it existed at the turn of the 20th century. This collection of essays discusses everything from the most personal aspects of the world of business—such as the virtues of hard work, dedication, thrift, sincerity, and other prudent qualities anyone aiming for success should embrace—to the most fundamental: the bugaboo of trusts; the state of the oil and steel industries in the United States; the best uses of tariffs; and more. Gathered from such popular publications of the era as *The New York Evening Post*, *The New York Journal*, *Macmillans Magazine*, and others, and published in book form in 1902, this is a must-read look into the mind of one of the men who helped create the American century. Entrepreneur and philanthropist ANDREW CARNEGIE (1835-1919) was born in Scotland and emigrated to America as a teenager. His Carnegie Steel Company launched the steel industry in Pittsburgh, and after its sale to J. P. Morgan, he devoted his life to philanthropic causes. His charitable organizations built more than 2,500 public libraries around the world, and gave away more than 350 million during his lifetime. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
