WORLD OF FIRE

Rebellion. Paperback. Book Condition: new. BRAND NEW, World of Fire, James Lovegrove, Dev Harmer, reluctant agent of Interstellar Security Solutions, wakes up in a newly cloned host body on the planet Alighieri, ready for action. It's an infernal world, so close to its sun that its surface is regularly baked to 1000 degrees centigrade, hot enough to turn rock into lava. But deep underground there are networks of tunnels connecting colonies of miners who dig for the precious helium-3 regolith deposits in Alighieri's crust. Polis+, the AI race who are humankind's great galactic rivals, want to claim the fiery planet's mineral wealth for their own. All that stands between them and this goal is Dev. But as well as Polis+'s agents, there are giant moleworms to contend with, and a spate of mysterious earthquakes, and the trials of the surface where a man can be burned to cinders if he gets caught unprotected on the day side.
