

## Preventing Boundary Violations in Clinical Practice

By Thomas G. Gutheil, Archie Brodsky

Guilford Publications. Paperback. Book Condition: new. BRAND NEW, Preventing Boundary Violations in Clinical Practice, Thomas G. Gutheil, Archie Brodsky, What do you do when you run into a patient in a public place? How do you respond when a patient suddenly hugs you at the end of a session? Do you accept a gift that a patient brings to make up for causing you some inconvenience? Questions like these - which virtually all clinicians face at one time or another - have serious clinical, ethical, and legal implications. This authoritative, practical book uses compelling case vignettes to show how a wide range of boundary questions arise and can be responsibly resolved as part of the process of therapy. Coverage includes role reversal, gifts, self-disclosure, out-of-office encounters, physical contact, and sexual misconduct. Strategies for preventing boundary violations and managing associated legal risks are highlighted.

### Reviews

*Without doubt, this is actually the very best function by any article writer. it was writtern quite flawlessly and valuable. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- Prof. Isobel Heller MD

*It is an incredible book which i actually have ever go through. it had been writtern extremely completely and helpful. You can expect to like the way the blogger publish this book.*

-- Prof. Jerad Lesch
