She makes an attempt to bandage aching wounds through shallow relationships and empty encounters--that is, until her dream mate arrives and seduces her tender heart to love once again. Can she move forward in a relationship, or will fantasies and invitations from the past lure her back to a time and place she s spent years hiding from, yet can t let go? The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
