Reviews

This ebook is definitely not straightforward to start on looking at but really enjoyable to learn. It usually will not charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

Nine years ago the Desolation laid waste to humankind, leaving only scattered pockets of civilization in its wake. Now John Osborne drifts through the ravaged remains of the North, his only companion the six-shooter at his side. When a young girl finds John unconscious in the northern Minnesota wilderness, she urges her village to help him. But while John is still bed-ridden, the girl inexplicably vanishes. Recognizing that the disappearance is no mere coincidence, John takes it upon himself to find and bring her back safely. Outmanned and outgunned, the deck appears to be stacked against John. Little do his adversaries know that he has a turbo-charged bionic surprise lurking under his left sleeve. . . A Stranger Bonus: Paperback edition includes the short story Ramses Thunder!
