*Unquestionably, this is actually the very best job by any publisher. It really is basic but unexpected situations within the 50 % from the book. I discovered this book from my dad and i advised this publication to discover.*

Baker Publishing Group, United States, 2012. Paperback. Book Condition: New. New. 226 x 152 mm. Language: English . Brand New Book. After Jesus, Peter is the most frequently mentioned individual both in the Gospels and in the New Testament as a whole. He was the leading disciple, the rock on which Jesus would build his church. How can we know so little about this formative figure of the early church? World-renowned New Testament scholar Markus Bockmuehl introduces the New Testament Peter by asking how first- and second-century sources may be understood through the prism of living memory among the disciples of the apostolic generation and the students of those disciples. He argues that early Christian memory of Peter underscores his central role as a bridge-building figure holding together the diversity of first-century Christianity. Drawing on more than a decade of research, Bockmuehl applies cutting-edge scholarship to the question of the history and traditions of this important but strangely elusive figure. Bockmuehl provides fresh insight into the biblical witness and early Christian tradition that New Testament students and professors will value.
