Reviews

Thorough guideline! Its this type of good read. It is really simplistic but shocks from the 50 percent from the publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

Digireads.com, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Case of Wagner is a critique of German composer Richard Wagner in which Friedrich Nietzsche makes a very public split with the musician. Nietzsche found himself at odds with Wagner's increasing involvement in the Volkisch movement and anti-Semitism. The critique of Wagner is something that is seen throughout Nietzsche's work, beginning with *The Birth of Tragedy*, wherein he praised Wagner as fulfilling a need in music to go beyond the analytic and dispassionate understanding of music. Further praise for the musician can be found in Nietzsche's essay *Wagner at Bayreuth*, contained in *Untimely Meditations*. However in *Human, All Too Human*, Nietzsche begins to express his disillusion with Wagner the composer and the man. *The Case of Wagner* was one of the last works authored by Nietzsche. It was followed by *Nietzsche contra Wagner*, also included in this edition, in which Nietzsche summarizes his criticisms of Wagner from his previous writings.
