Completely essential read through publication. It normally does not expense excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

Total Publishing and Media, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The book of Proverbs is an Operating Manual for humans. In it, you can hear God speaking to your heart as you follow His direction in your life. This journal is a companion to Wisdom - Better than Wishing--a daily guide to understanding the wisdom of Proverbs and enjoying your relationship with God. Each day begins with a promise and offers opportunities for prayer and reflection. As the days progress, wisdom becomes your nature. I love Kristi s writing style.I could easily see someone who reads this in the morning meditating on the message--and a little laugh--they d read all day long. It makes for an overall enjoyable read. Total Publishing Kristi touches on issues that are very important to many of us. This is a must read! Shelley Malicote-Stutchman I really needed to read a lot of those messages right when I did! This devotional is going to touch people; I know it has blessed me so much! Cheri Stanley Wow Kristi.powerful stuff ! Most of us, if we could hear his voice and distinguish it from that of all the other ambient noise in our inner and outer worlds, it would be relatively easy to follow Him. Th e challenge is in identifying His voice. Th at takes practice, commitment, failing from time to time, faith, trust, tenacity, and just plain old continuing to try. Tim Owens, Counselor, MS LADC.
