The orders given to the Baldwin locomotive works call for 325 large freight locomotives. These engines are to be turned out as fast as possible. Cramp Steel Company Reorganized. --Plans for the reorganization of the Cramp Steel Company, limited, of Collingwood, Ont, in which a good deal of American capital is interested, have been successfully accomplished. The property of the company was sold under foreclosure proceedings by the North American Trust Company of New York and the new organization, the Northern Iron and Steel Company, limited, took its place. The stockholders of the old company were admitted to the new company on the payment of a small assessment. The Northern Iron and Steel Company, in order to quit its title to the property, applied to the Ontario government for a meritorious title. This has been granted.
