If you have a problem, contact Sonia Samarth. SONIA SAMARTH couldn't have predicted it. It had only been a day, but her first advertisement had drawn dozens of responses. In the bustling city of Pune, with its winding alleys and exotic customs, Sonia has launched a brand new business private investigation guided by Hindu astrology. Her unique brand of investigation might raise eyebrows but before long, she seems to have found her niche. When a cat leads Sonia to her very first investigation, she uses astrology to unmask the killer. Suddenly, clients begin streaming in a persistent, handsome TV personality; a terrified bride-to-be; a missing husband with suicidal tendencies. These cases initially seem like isolated experiences, but Sonia soon finds that they are bound by an invisible thread. Very soon she will have to look closely at her own stars: a notorious international criminal has just crossed Sonia's path and he has his own plans for her future! MANJIRI PRABHU lives in Pune, India. She's been a filmmaker and television producer for several years and a writer of two romances, two mystery novels and a non-fiction book on Hindi films.
