Pearson Education (US), United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. This book addresses advances in technology and introduces students to 2-dimensional drawing skills and commands using the current release of AutoCAD. It continuously builds on concepts covered in previous chapters, contains exercises combined with in-text notes, and offers examples that provide the how and why of AutoCAD fundamentals. Projects are included at the end of each chapter and provide hands-on experience creating various types of mechanical, architectural, civil and electrical drawings. This text is appropriate for Introductory and Intermediate AutoCAD courses. Features: AutoCAD's 2-D tools-are presented from the basic concepts to the most powerful tools used in design and engineering.* Presents material (in seven parts) that advances with complexity.* Introduces AutoCAD, drafting skills, editing techniques, working with complex objects, annotating drawings, outputting your work, and advanced drawing and construction methods. Advanced drawing and construction methods-appear after teaching the tools used in design and engineering.* Explains blocks and block attributes, working with external references, and file management and object linking and embedding. A Quick Start chapter-appears early in the text (see Chapter 2).* Allows students to get up to speed in no time to create and even plot AutoCAD drawings.* References corresponding chapters later in the book, allowing readers to delve into topics at their own pace and level. Chapter Objectives-provide a bulleted list of key concepts for each chapter.* Provides students with a roadmap of important concepts and practices that will be introduced in the chapter. Key Terms-highlight important vocabulary throughout.* Defines key terms in the margins and in more detail in the Glossary at the end of the book. Command Grids-appear in the margin alongside the discussion of the command.* Presents a visual of the action options using either: Standard Toolbar, Pull-Down Menu,...
