There are many different styles of poetry ranging from free verse, complete rhyme, haiku s, senryu s, lyrics for songs, and a few unconventional styles with my own modified style of rhyme, meter, pentameter. The poems range from ones about my two marriages, divorce, my kids, losing everything, starting over, etc. etc. being a weekend father and all the loneliness and pain one has to deal with in a divorce. My views of life and lessons I have learned. Many different subjects I have written about. Main theme of new work is from my hopeless romantic side. Basically the story of my life in poetry.
