Panoma Press, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. This book is a cry from the heart to see the emergence of a new kind of people - The Reformers. They are `young (in age and at heart), they are full of creative energy and passion. They are tired of the status quo, tired of the state of their nations. They are like you - they want to see change and are willing to pay the price to be the instigator of that change. The dream is to raise an army of social reformers bound by four key qualities. This book is a manual for developing, refining and releasing them. Through valuable information and real life stories and experiences this masterfully crafted book strikes at the core of the issues and defines the true reformer and the process of personal development necessary to become one. It is about changing the songs of pain and sadness that can still be heard on the continent of Africa. It is about singing new ones - songs of hope and victory. It is time to raise a dignified, undaunted army of social reformers. Would you like to join this army?.
