## UNMAKING HUNTER KENNEDY

Butterfly Books, LLC. Paperback. Condition: New. 444 pages. Dimensions: 8.4in. x 5.4in. x 1.3in. Another teen romance from Anne Eliot, the Amazon Kindle Bestselling Author of *Almost*. After a car accident--an event he considers a prank gone bad--pop star, Hunter Kennedy is forced to hide out with his aunt in small-town Colorado. He's supposed to rest, heal his scars and attend high school in disguise until the press dies down. But he only wants to get back to work. Worse, the girl who's been assigned to make him over into a geek is a major geek herself. Vere Roth is a chattering pixie, a blushing tornado and a complete social disaster. He's never met a girl who's never-been-kissed, believes in romance and thinks Hunter's a nice guy. Funny thing is... Hunter is nice around Vere because she's his first real friend. He also can't seem to stop sharing his secrets or keep her out of his heart. Knowing he'd never deserve a girl as sweet as Vere, he resigns himself to the friend zone, and helps his new bestie with her own makeover. She tortures him daily for guy advice on how to snag her life-long crush. A guy Hunter thinks is totally wrong for Vere, and sadly, one who has taken note of Vere's stunning transformation. When Vere asks her best friend for some kissing advice, Hunter can't resist... And that's when things get out of control. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
