Random House, 2017. Hardcover. Condition: New. 336pp. I am old. That is the first thing to tell you. The thing you are least likely to believe. If you saw me you would probably think I was about forty, but you would be very wrong. Tom Hazard has a dangerous secret. He may look like an ordinary 41-year-old, but owing to a rare condition, hes been alive for centuries. From Elizabethan England to Jazz-Age Paris, from New York to the South Seas, Tom has seen a lot and now craves an ordinary life. Always changing his identity to stay alive, Tom has the perfect cover - working as a history teacher at a London comprehensive. Here he can teach the kids about wars and witch hunts as if hed never witnessed them first-hand. He can try to tame the past that is fast catching up with him. The only thing Tom must not do is fall in love. How to Stop Time is a wild and bittersweet story about losing and finding yourself, about the certainty of change and about the lifetimes it can take to really learn how to live.
