The immediate effect on critics was modest, but it became and remains a landmark, changing the course of English literature and poetry. Most of the poems in the 1798 edition were written by Wordsworth, with Coleridge contributing only four poems to the collection, including one of his most famous works, The Rime of the Ancient Mariner. A second edition was published in 1800, in which Wordsworth included additional poems and a preface detailing the pair's avowed poetical principles. For another edition, published in 1802, Wordsworth added an appendix titled Poetic Diction in which he expanded the ideas set forth in the preface. Wordsworth and Coleridge set out to overturn what they considered the priggish, learned and highly sculpted forms of 18th century English poetry and bring poetry within the reach of the average person by writing the verses using normal, everyday language. They place an emphasis...
