Joining a resistance cell, they help plot a revolution and fall in love. Their group plans take control of the Portal, a teleportation device that links Earth with BloodDark. They plan to attack when the Pure Bloods hibernate in caverns located deep beneath the city. The Resistance fighters make it to the city only to find the Overseers, the Pure Bloods henchmen, are armed and waiting for them. Will Olivia and Hernando survive the battle? If she returns to Earth, will Olivia ever see him again?.
