On Demand Publishing, LLC-Create Space, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Discover Controversial Words Phrases That College Doesn t Teach You. Once you learn how to use them, controlling people s mind will be THAT easy. 2nd Edition - December 2017! Let me ask you a quick question: do you struggle to get people to listen to you, to have them comply with instructions and requests? Do you always use the same common words that everyone else is using? Are you paying any attention to the words that you choose? Imagine yourself flowing with powerful words: you just can t help it, it s almost automatic. These persuasive words are coming out of your mouth freely, and you re able to close difficult deals, sell your products on the phone, get more readers to read all the way through your blog posts, persuade that beautiful blonde to give you a relaxing, intimate back massage with coconut oil and lavender scent. How does it feel? Well, that s exactly the purpose of this book: to give you a series of ideas, methods, strategies, and PRACTICAL techniques that you can use immediately to take your communication skills to a whole other level. Inside this book, you will learn: How to use NLP vocal techniques for persuasion - how to speak effectively, even if you consider yourself an introvert. New psychological tactics to induce people to do as you wish - no more objections or resistance! How to covertly plant ideas in people s heads without them knowing it. Specific words, phrases techniques to persuade and influence effortlessly - you just need to add a couple words to your conversations! How to spark, amplify and change emotions - just by using Power Words. Effective...
