Curiosity Quills Press, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. All who threaten me die. These words made Morgan Stormrider s reputation as one of the Phoenix Society s deadliest IRD officers. He served with distinction as the Society s avenger, hunting down anybody who dared kill an Adversary in the line of duty. After a decade spent living by the sword, Morgan seeks to bid a farewell to arms and make a new life with his friends as a musician. Regardless of his faltering faith, the Phoenix Society has a final mission for Morgan Stormrider after a dictator s accusations make him a liability to the organization. He must put everything aside, travel to Boston, and prove he is not the Society s assassin. He must put down Alexander Liebenthal s coup while taking him alive. Despite the gravity of his task, Morgan cannot put aside his ex-girlfriend s murder, or efforts to frame him and his closest friends for the crime. He cannot ignore a request from a trusted friend to investigate the theft of designs for a weapon before which even gods stand defenseless. He cannot disregard the corruption implied in the Phoenix Society s willingness to make him a scapegoat should he fail to resolve the crisis in Boston without bloodshed. The words with which Morgan Stormrider forged his reputation haunt him still.
