Brand New Book ***** Print on Demand *****.How do you balance the calling to a career and the calling to fatherhood? How do you face a life change that you feel completely inadequate and unprepared for? In Ed Czerwinski's case, he wrote about it a lot. The only thing author Ed Czerwinski feared more than an editor's rejection email was parenthood. After struggling to establish himself as a full-time writer in his 20s, he began his 30s with more questions about his career, more anxiety about parenthood, and a baby on the way. First Draft Father documents the rough draft of a new father balancing parenting and working from home through a weekly online journal. Along the way his faith and writing career were revised in ways he never expected.
