ARTICLE XXXVII Some Remarks on the Influenza that appeared in Spring 1782, in a Letter oDr. Lettsom, by R. Hamilton, M. D. of the Royal College of Physicians, London, Member of the Medical and Philosophical Societies of Edinburgh, and of the Medical Society of London. Read November 27, 1787. S I R, AT your desire I sit down to inform you of the result of my practice, and the few observations I made on the influenza of Although this, and the following Article, have lain some years with the Medical Society, the want of opportunity having hitherto prevented their publication; yet the subject on which they treat is no less interesting to posterity, than if they had been printed much earlier; and appearances of a catarrhal affection resembling the influenza, on which they treat, having recently occurred, the present time was deemed eligible, more especially...
