By Louis Rogers, Michael Thompson

Delta Publishing, United Kingdom, 2013. Paperback. Book Condition: New. International Edition. 292 x 206 mm. Language: English . Brand New Book. Delta Academic Objectives: Listening and note-taking skills has been written to prepare students for academic listening, placing emphasis not only on practice with extended listening passages but also on continued language development through four main areas: Language Focus, Listening for Production, Listening for Meaning and Vocabulary Focus. Delta Academic Objectives: Listening and note-taking skills develops essential comprehension skills in the context of real-life talks, presentations, and conversations with over 180 hours of audio material. Longer listening passages help students ability to follow such talks, presentations, and conversations for the longer periods of time common in academic and work environments. Language Focus sections help students develop their note-taking skills, as well as their ability to recognize the underlying structures of talks and presentations. Listening for Production and Listening for Meaning sections offer students opportunities to further apply listening strategies to help prepare for listening in real-life academic situations. Vocabulary Focus activities are designed to help students increase their lexical range, giving them experience - in context - with lower-frequency vocabulary, as well as developing their ability to use words and...
