Moody Press,U.S., United States, 2011. Paperback. Condition: New. Revised. Language: English . Brand New Book. More than 10 years after Parenting Your Adult Child was published, much has changed-- including young adults themselves, and even their parents. Economic upheavals, challenges to traditional values and beliefs, and the phenomenon of over-involved helicopter parenting, all make relating to grown children more difficult than ever. Yet at the same time, being a parent of an adult child can bring great rewards. This revised and updated version of Dr. Gary Chapman s and Dr. Ross Campbell s message will help today s parents explore how to really love their adult child in today s changing world. The book includes brief sidebars from parents of adult children and adult children themselves with their own stories. An online study guide is also available.
