A Career in Music: The Other 12 Step Program (Paperback)

By Bob D Eith

Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. If you re hoping to make a career out of music, this book could be the difference between getting it right and flaming out. (Alan Cross music historian, broadcaster and blogger) After over two decades in the Canadian music business, Bob D Eith has learned a lot about how independent artists have succeeded or failed. A Career in Music: the other 12 step program, was written to fill a void in the world of music business books. Bob observes that, there are many music business books written from the U.S.A. or U.K. perspective, but none that I am aware of from the Canadian perspective. This book delves into the basic tools that every independent artist should have in today s complicated and ever changing music industry. More than ever before, artists are being expected to develop themselves. That means understanding many parts of the business both traditional and cutting edge. A Career in Music examines where the money is for Canadian artists and how to get it. Bob says, half of the battle is knowing where to register and with what organizations....
