The Imagination Box: A Mind of its Own (Paperback)

By Martyn Ford

FABER FABER, United Kingdom, 2017. Paperback. Condition: New. Main. Language: English . Brand New Book. There was a sabre-toothed tiger in the playground. Wandering thoughts, Tim had come to realise, were extremely dangerous things. Nearly a year has passed since Tim, Dee and Phil the finger monkey (with the help of some fire-breathing bear-sharks) defeated Wilde Tech Inc and destroyed the imagination space. But since then, it's become increasingly clear that there's something wrong with Tim. His imagination seems limitless - anything he imagines immediately appears in front of him, with no need for the imagination box. Which has both good and bad consequences. Then, in the blink of an eye, everything changes. Tim wakes up and discovers he's in his old orphanage. No one, not even Dee, knows who he is. He's completely alone - his worst nightmare. But soon he realises who is to blame. His old enemy, Clarice Crowfield, has hijacked a new, all-powerful machine and created a reality where she is in charge! Tim must find Professor Eisenstone, convince Dee that they really are best friends (and, of course, recreate Phil) - then literally put their world to rights.

Reviews

Great electronic book and valuable one. It really is simplistic but surprises within the fifty percent from the book. Its been printed in an extremely simple way in fact it is merely right after i finished reading this publication by which in fact modified me, change the way i really believe.

Totally among the best publication I have ever go through. This really is for all those who statte that there had not been a well worth studying. I am just very happy to let you know that this is actually the very best pdf we have go through inside my very own daily life and could be he very best ebook for actually.
