Spare Parts - Spanish Edition Four Undocumented Teenagers, One Ugly Robot, and the Battle for the American Dream

By Joshua Davis

FSG Originals. Paperback. Condition: New. 240 pages. Dimensions: 0.0in. x 0.0in. x 0.0in. Four undocumented Mexican American students, two great teachers, one robot-building contest . . . and a major motion picture! In 2004, four Latino teenagers arrived at the Marine Advanced Technology Education Robotics Competition at the University of California, Santa Barbara. They were born in Mexico but raised in Phoenix, Arizona, where they attended an underfunded public high school. No one had ever suggested to Oscar, Cristian, Luis, or Lorenzo that they might amount to much but two inspiring science teachers had convinced these impoverished, undocumented kids from the desert who had never even seen the ocean that they should try to build an underwater robot. And build a robot they did. Their robot wasn't pretty, especially compared to those of the competition. They were going up against some of the best collegiate engineers in the country, including a team from MIT backed by a 10,000 grant from ExxonMobil. The Phoenix teenagers had scraped together less than 1,000 and built their robot out of scavenged parts. This was never a level competition and yet, against all odds . . . they won! But this is just the beginning for these four, whose...
