Amazon Publishing, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. A chilling psychological suspense novel, *The Grave Tender* explores the dark boundaries people cross to save loved ones, and the limits of family bonds tested by the deepest of betrayals. Endless questions from a shadow-filled East Texas childhood haunt Hadley Dixon. People said her mother, Winnie, was never quite right, but with one single, irreparable act, life as Hadley knew it was shattered. The aftershocks of that moonlit night left her reeling, but the secrets and lies had started long before. When a widowed and pregnant Hadley returns years later, it's not the safe harbor she expects. The mysteries surrounding a local boy's disappearance remain, and the townspeople still whisper about Hadley's strange and reclusive Uncle Eli--whispers about a monster in their midst. But Hadley's father and grandmother, the cornerstones of everything safe in her world, avoid her questions. If Hadley stays here, will she be giving her children the family they need, or putting their lives in danger? The hunt for answers takes a determined Hadley deep into the pine forests, in search of sunlight that will break through the canopy of lies long enough to reveal the truth. Revised edition: This edition of *The Grave Tender* includes editorial revisions.
