Reviews

Very useful to all category of individuals. It is one of the most amazing publication i have got read through. You will not feel monotonny at anytime of your respective time (that's what catalogs are for about when you question me).
(Mr. Johnathon Dach)

TREASURES INTO TRACTORS: THE SELLING OF RUSSIA'S CULTURAL HERITAGE, 1918-1938 (PAPERBACK)

Hillwood Museum Gardens, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book. Sixteen scholars from Russia, Vienna, and the United States explore the fate of Russian art collections and libraries following the Russian Revolution in 1917, the institutions and individuals responsible for their sale, and the prominent collectors, libraries, and museums that acquired them. Unlike the widely publicized controversy surrounding Soviet-Nazi war loot and its restitution, the sales of the interwar period are not well known outside a small scholarly community. This volume reveals the extent of the Soviet government's voluntary realization of Russia's cultural patrimony between 1918 and 1938 and its consequences for both the international art market and the perception of Russian art. The imperial Easter eggs by Faberge and Old-Master paintings purchased by Andrew Mellon from the State Hermitage and now in the National Gallery of Art in Washington, D.C. are the most celebrated works that changed hands. Equally significant are the bibliographic rarities from imperial libraries, icons and liturgical art from churches and monasteries, and antiques, furnishings and fine art from estates, palaces, and private homes. See the review in the New York Times:
