Tate Publishing Enterprises, United States, 2009. Paperback. Book Condition: New. 206 x 132 mm. Language: English . Brand New Book ***** Print on Demand *****.In a timely and relevant work of social commentary, *Poverty and the Continuing Global Health Crisis* examines the problem of world poverty and its impact on health with embarrassment, while being totally cognizant of the complex issues linked to both poverty and health. Poverty continues to touch the consciousness of humanity, challenging our piety, and questioning our concerns about equality and the plight of society's least fortunate people. This book amplifies the hopelessness of the poverty stricken masses in a world of plenty, and links poverty to a chain of problems in the campaign to stop this crisis, indicting the traditional approaches that have failed to accomplish established objectives. Through a variety of examples and viewpoints, this compelling book encourages not just worldwide humanitarian groups, but individuals as well, to confront the elements of poverty if global health is to be improved or realized, while accepting the truth that success will take a long time and is dependent on collective will, commitment, governance, and a concerted unified effort in a world fraught with uncertainties. Dr. Don A. Franco has degrees in veterinary medicine and public health, and is board certified by the American College of Veterinary Preventive Medicine with an interest in the diseases transmissible from animals to man (zoonoses). He has also been an ardent advocate of the One Medicine concept, convinced that the continued progression of medicine necessitates a concerted interrelatedness between veterinary medicine and human medicine in the challenging quest for the prevention and control of zoonotic diseases that the global poor are most at risk from. He has had adjunct faculty appointments at both veterinary and medical institutions, and has published...
