## Soft Skills That Make or Break Your Success: 12 Soft Skills to Master Self, Get Along With, and Lead Others Successfully (Paperback)

By Dr Assegid W Habtewold

Success Pathways Press, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Researches show that the lion share of success comes from soft skills than technical. Sadly, many professionals over depend on their technical skills. And thus, neglect to develop their soft skills proactively and in turn pay dire prices individually and cause havoc in their organizations. Common complaints such as high turnover, conflict, lack of synergy, and low levels of productivity in many of today s organizations come down to lack of certain soft skills. This book is based on the story of a successful professional, Dan Murphy who works for a multinational research organization- Global Health Research (GHR). Dan was promoted to lead a multimillion dollar project because of his superb technical skills as a researcher. Unfortunately, due to lack of certain soft skills, problems started to prop up. He couldn t get along with his peers, and lead his team members. After several attempt to help, verbal warnings, and then a written one for his file, his immediate boss- Susan Jeffrey, decided to remove him from leading the project. However, since Dan was one of the superstar researchers at GHR, this...
