Fully grasp a word should be a combination of its shape. sound. meaning the three-dimensional grasp. I believe that a considerable part of us beginning to learn English. pinyin. next to the word note of pronunciation. then recite the words in alphabetical order. the drawbacks of this method of soil above three are fragmented. Later come into contact with the pronunciation rules of the system. we also found that according to the pronunciation of letters and combinations thereof characteristics memorizing vocabulary can be reached giving top priority to the multiplier effect. as it did the shape and sound of fusion. but the meaning of the word is still rote. Then. with the word over time. we found that many words are not monolithic. but can be dismemberment into different meaning. function prefixes. suffixes. and roots. even though they have the original Latin. Greek . French. German words look very different. Word analysis of the composition of its significance to do the shape and meaning of the word good combination. can also deepen understanding of the etymology of the understanding of the meaning of a word. Meanwhile. the increase in the amount of reading word rich context. our understanding of the meaning of a word is more alive. At this point. we seem to have the words you want to learn the shape. sound and meaning with a complete understanding. is not it can be argued have mastered a word of it the answer is no. This is because the words as the language...
