Reviews

This sort of publication is every thing and helped me seeking ahead of time plus more. I am quite late in start reading this one, but better then never. I found out this pdf from my dad and i recommended this pdf to learn.

WHITAKER'S ALMANACK 2001

U.K / The Stationery Office, 2000. Hardcover. Book Condition: New. The Almanack, which began life as a money-spinning collection of jottings by journalist Joseph Whitaker in 1868, is probably now the most eclectic annually published single-volume reference book there is. This being the 133rd edition for 2001 looks forward, as usual, with a detailed account of the year it relates to--events, anniversaries, astronomical data and so on. It also provides a record of all the key events which took place both in the UK and across the globe in 1999. A 1st edition hardback with its dustjacket in new condition. (1285 pages). This is a heavy book (over 1.4kg), so there will be an extra postage charge.
