YOU MIGHT BE A PROBLEM DRINKER IF.

David Anders Publishing House, United States, 2011. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Dr. David L. Anders is a practicing physician who provides a light-hearted view of those who have a tendency to drinking just a little too much. As he says in the Introduction of You Might Be A Problem Drinker If. Almost everyone who drinks alcoholic beverages has at one time or another asked introspectively, Why did I do that? when reflecting on the activities of the night before. And suddenly, guilt is replaced by an attempted justification, with a self-assurance that, It couldn t have been that juvenile, and if it was, everyone else there had imbibed more than you so you were off the hook. Nevertheless, at such times, you may ask, Did I go too far? Do I have a drinking problem? Am I on the slippery slope to ruination? and then you again comfort yourself with a reassuring Na and promise to behave next time. It is in these moments of insecurity that this book may be a useful tool. Ever since the days of the Great Flood, astute observers have identified a link between the consumption of excessive amounts of ethanol-containing beverages and undesirable alterations in human behavior. Over the years it has become fairly intuitive that such antics document not just a single event of regrettable activity, but actually establish the likelihood that other similar episodes have previously occurred - a pattern of behavior that serves up evidence that a true problem has been created by what is simply too much alcohol and too little discernment. Modern medicine has long searched for a test that could be rapidly self-administered, the results of which could let the test-taker know whether the...
