It is a single of my personal favorite publication. It usually fails to charge an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.

POCKET FULL OF VICTORIES NEW LIFE, NEW YOU AND NEW VICTORIES IN CHRIST

The Vine Publishing, Inc. Paperback. Condition: New. 272 pages. Dimensions: 9.0in. x 6.0in. x 0.7in. Pocket Full of Victories is for all the Tanekis of this world. It is for lost souls trying desperately to find their way to a life filled with purpose, love and passion. It is for everyone who attends church on a weekly basis but leaves without having a true, life-changing encounter with the Creator of the universe and without having a real understanding of what it means to be a child of God. In this book, author Taneki Dacres recounts her journey from her way to Gods way. She shares her trials and struggles, as well as her honest thoughts on what she thought Christianity was, and why she wanted no part of it. Ms. Dacres fills each pocket with her own testimony, and in it she addresses some of the major issues that keep us from completely surrendering to God and prevent us from truly experiencing the richly victorious life that comes from developing an intimate relationship with Him. In it you will discover: - Why our good works does not qualify us to enter the pearly white gates - Why your past is forgiven and why you are worthy of Gods love and grace - Why perfection is not a requirement - Who you are and whose...
