Createspace Independent Publishing Platform, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Written as an homage to the Nancy Drew books, this humorous and PG-rated mystery about teenage sleuth, Nancy Keene, especially targets women baby boomers who grew up reading and loving the series. Gently poking fun at Nancy s obscure knowledge, perfectionism, and need for control, this book concentrates and the relationship between Nancy and her father. Nancy has just turned 18, is in a serious relationship with her boyfriend, and is planning to move out of state to college. How will her father handle letting her go? Find out as Nancy, her father, and her boyfriend take a trip on Route 66, visiting several of its landmarks along the way, in search of a missing will. Not only is The Buried Treasure on Route 66 a tip of the hat to the Nancy Drew books, it s also a romance novel about both young love and rekindled old love.
