

## The Big Book of Logic Puzzles (Paperback)

By Edward J Harshman

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Hundreds of logic puzzles, calling on your creative thought processes to solve them. An improbable situation is presented, then on a separate page you have three hints, each a question with a yes/no answer, On an additional separate page, you can look up the answer. Some puzzles call on your scientific reasoning (no advanced concepts are needed), and some require only an open mind to the possibilities. Some are based on true stories, some are over a century old, and some are brand new. A store in a shopping mall, near a jewelry store, used to tell its customers to throw diamonds away. A dangerous place for safety glass. A clock that runs counterclockwise-and not as a joke or a novelty. A man on a park bench holding a newspaper upside down and reading intently. The universal solvent: where can it be stored? The long-winded bore and your chances to catch him lying. The students who missed a test and pretended that they got a flat tire-and how they outwitted the teacher. The chivalrous man who removed his jacket...
