Today, we are constantly under pressure to live up to the standards of living that materialistic companies establish for us. The way you dress, the phone you have, and the car you drive have come to serve as billboards for the rest of the world to know how much your job and you are worth. Every major holiday comes with a whole new line of commercials and advertisements that encourage you to buy the next great thing, or else you will be missing out on a great chance to show off what you can afford.
