

PODs

By Michelle Pickett

Spencer Hill Press. Paperback. Book Condition: New. Paperback. 288 pages. Dimensions: 8.0in. x 5.3in. x 0.9in. Seventeen-year-old Eva is a chosen one. Chosen to live, while others meet a swift and painful death from an incurable virus so lethal, a person is dead within days of symptoms emerging. In the POD system, a series of underground habitats built by the government, she waits with the other chosen for the deadly virus to claim those above. Separated from family and friends, its in the PODs she meets David. And while true love might not conquer all, its a balm for the broken soul. After a year, scientists believe the population has died, and without living hosts, so has the virus. Thats the theory, anyway. But when the PODs are opened, survivors find the surface holds a vicious secret. The virus mutated, infecting those left top-side and creating. . . monsters. Eva and David hide from the infected in the abandoned PODs. Together they try to build a life--a new beginning. But the infected follow and are relentless in their attacks. Leaving Eva and David to fight for survival, and pray for a cure. This item ships from multiple locations. Your book may...
