

The Phonology and Morphology of Arabic (Paperback)

By Janet C. E. Watson

Oxford University Press, United Kingdom, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book is the first comprehensive account of the phonology and morphology of Arabic. It is a pioneering work of scholarship based on the author's research in the region. Arabic is a Semitic language spoken by some 250 million people in an area stretching from Morocco in the West to parts of Iran in the East. Apart from its great intrinsic interest, the importance of the language for phonological and morphological theory lies, as the author shows, in its rich root-and-pattern morphology and its large set of guttural consonants. Dr Watson focuses on two eastern dialects, Cairene and San ani. Cairene is typical of an advanced urban Mediterranean dialect and has a cultural importance throughout the Arab world; it is also the variety learned by most foreign speakers of Arabic. San ani, spoken in Yemen, is representative of a conservative peninsula dialect. In addition the book makes extensive reference to other dialects as well as to classical and Modern Standard Arabic. The volume opens with an overview of the history and varieties of Arabic, and the position of Arabic within...
