KING LEOPOLD'S GHOST

Pan, 2006. Condition: New. In 1898, Edmund Morel, an employee of a Liverpool shipping line, was in Antwerp watching ships arriving from the Congo laden with rubber and ivory, but taking only soldiers, firearms and ammunition back to Africa. He realized that there was nothing traded for the Congolese goods: they had been produced by slave labour. Hochschild tells the horrific story of King Leopold's Congo and describes how Morel mobilized public opinion to combat slavery in the Belgian colony.

This pdf is fantastic. It typically is not going to price too much. You will not truly feel monotonous at any time of your own time (that's what catalogs are for about if you request me).

-- **Leslie Reinger**

Unquestionably, this is actually the very best job by any publisher. It really is basic but unexpected situations within the 50 % from the book. I discovered this book from my dad and i advised this publication to discover.
