Virtualbookworm.com Publishing, United States, 2003. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Sex, drugs, radical environmentalism, communal drumming, wild dancing, nature worship and raging bonfires: Lara is thrown into the cauldron of the counterculture. Ensnared by affection. By dependency. By the ancient fear of being alone. Lara, a young woman in her early 20s, finds herself in California traveling with two men: a hobo street musician named Leatherwood and Paul, an escapee from Graduate School obsessed with the writings of J. Krishnamurti. Lara is romantically attracted to both men, but both are leading her away from her goal: return to normal society, get her college degree and begin her career. Lara makes the fateful decision to go with the two men to The Gathering at Big Sur, in the mountains near the California coast. In Lara's humorous skeptical voice we share a young woman's struggle to find personal freedom and independence. Lara tells a story seething with action and emotional conflict. Only by following her inner voice will she escape from a desperate situation. The Gathering at Big Sur is Book Two of the trilogy, A Pilgrimage to Ojai. Book One, narrated by Leatherwood, is titled The Great American Wagon Road (also available through). And Book Three is Paul's Ojai Journal. Each book is complete unto itself. However the three together form parts of a whole powerful story.
