Alma Books Ltd, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book. Based on Jane Hawking s best-selling memoir *Travelling to Infinity: My Life with Stephen*, Anthony McCarten s screen adaptation for the hit movie *The Theory of of Everything*, starring Eddie Redmayne and Felicity Jones, is one of the most talked about and award-worthy scripts of the film season. In the film, we follow Jane and Stephen Hawking from their first meeting to the first signs of Stephen s illness and their wedding, through to the challenges of having to deal with disability and unexpected success - and the strain this puts on the loving couple s relationship. The result is a feat of cinematic brilliance and screenwriting bravura from the author of several acclaimed novels.
