Reviews

The publication is straightforward in study safer to recognize. It is written in straightforward words and never hard to understand. It has been printed in an extremely straightforward way and it is just after I finished reading this book through which basically modified me, affect the way I think.

(Percy Bernhard)

DUSK

FSG. 1 Cloth(s), 2013. hard. Book Condition: New. One December afternoon, a boy, his dog, and his grandfather take a walk to watch the sun begin to set over the river, in this book for readers 4 to 8 by the author of the Caldecott Honor Books *Snow* and *How I Learned Geography*. As the trio start for home, buildings grow dimmer, and some amusing people recite rhymes as they are rushing past. As nature's lights go out, the city's lights turn on, revealing brilliant Hanukkah, Kwanzaa, and Christmas displays. Uri Shulevitz's quiet, awestruck text is complemented by his watercolor and ink illustrations, in which meticulously blended colors convey the approach of nightfall. 32.
