

Inside Planets (Paperback)

By Elias Lonsdale

North Atlantic Books, U.S., United States, 1995. Paperback. Condition: New. Language: English . Brand New Book. For centuries, spiritual seekers have turned to astrology to discover humans deepest connections with the Earth and the cosmos. But too often, astrology devolves into meaningless clichés or impersonal newspaper horoscopes. In the early part of this century Marc Edmund Jones and Dane Rudhyar liberated astrology from the fatalistic approach of the medieval world. They took power from the high-and-mighty archaic planet gods, and offered it back to human beings. Here, at the end of the century, Inside Planets goes further, invoking each planet as a mighty full-bodied organism with a character and a soul of its own, a living breathing force with passion and humor and purpose that changes as it moves through the houses and signs. Each planet grabs you by the imagination and drags you to the campfire of The Greatest Story Ever Told. Far more than an astrology guide, this book resuscitates from the ancient mystery temples of Atlantis an elegant and inspiring pantheon of wonder, terror, and creative solution to the problems that plague the soul.
