Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Food and drug companies, doctors, universities, charities, governments -- none of them want you reading this book. They continue to gain wealth and power by continually denying the deadly dangers of man-made chemicals -- toxins causing ever escalating pandemics of disease, chronic illness, and allergies. Author Robert Wellesley was a businessman dominated by a lifetime of chronic allergy and health issues such as anxiety, fogginess, fatigue, acid reflux and depression. Motivated to finally feel healthy and with typical allergy remedies seemingly of little help, Robert began a quest, seeing if food additives, plastics, and man-made chemicals were somehow linked to his chronic ill health. Sifting through the academic research, what Robert uncovered was startling. Resolve All Your Allergies. is both the story of one man's long journey from chronic low-level illness to optimal, allergy-free health, as well as a practical plan of action, 58 specific Action Items you too can implement to resolve your own allergy and health issues, simply by getting toxins out of your life. Among the revelations: - While Europe bans 1350+ toxic food additives, the U.S. prohibits just 11 - 9 out of 10 chemicals allowed into food and cosmetics have NEVER been studied in detail - Scientists are well aware these chemicals are a leading cause of most of the cancers, heart disease, diabetes, MS, allergies, asthma (over 300 diseases/maladies, referenced in this book) - Even seemingly non-allergenic chemicals stack up to generate visible symptoms - Scientists have no idea, at the microbiological level, how chemicals are producing allergies, intolerances and sensitivities (all of which the author dubs chemical provocations), allowing many to continue to deny the dangers of these chemicals - Even...
