

## Women in Sport Leadership: Research and practice for change (Hardback)

By -

Taylor Francis Ltd, United Kingdom, 2017. Hardback. Condition: New. Language: English . Brand New Book. Although women and girls participate in sport in greater numbers than ever before, research shows there has been no significant increase in women leading sport organizations. This book takes an international, evidence-based perspective in examining women in sport leadership and offers future directions for improving gender equity. With contributions from leading international sport scholars and practitioners, it explores the opportunities and challenges women face while exercising leadership in sport organizations and evaluates leadership development practices. While positional leadership is crucial, this book argues that some women may choose to exercise leadership in non-positional ways, challenging readers to consider their personal values and passions. The chapters not only discuss key topics such as gender bias, intersectionality, quotas, networking, mentoring and sponsoring, but also present a variety of strategies to develop and support the next generation of women leaders in sport. A new model of how to achieve gender equity in sport leadership is also introduced. Women in Sport Leadership: Research and Practice for Change is important reading for all students, scholars, leaders, administrators, and coaches with an interest in sport business, policy and management, as well...
